and a Visiting Fellow at the Center for Dewey Studies.*

**Center for Dewey Studies
Morris Library Basement, Room 0044**

Center for Dewey Studies Lunchtime Talks

<http://deweycenter.siu.edu>

The Center for Dewey Studies is the home of research, publishing, and outreach focused on the life, work, and legacy of the American philosopher and educator John Dewey. Our Lunchtime Talks include speakers researching Dewey and related thinkers, work in the pragmatist tradition, and other work in a broadly Deweyan spirit.
